

BRING A FRIEND TO WORK...

WITH US.

**WIN \$500 AS WE CELEBRATE 30 YEARS IN
BUSINESS.**

This year, we will celebrate 30 years of success in the life, long term care and annuity wholesale brokerage marketplace. During our time, we have transformed and adapted to reflect current markets and the significant new ways we all conduct business. We are poised to help you succeed in an environment focused on internet-based transactions, quick and painless underwriting, and real time status on your cases! All of this is done with knowledgeable, personalized and committed service and support. We provide the administration in new school ways with old school service.

To celebrate our 30th, we invite you to introduce a licensed agent to Joline Associates. For every agent you introduce to us, who places one case prior to JULY 1st, we will put an entry with your name into our \$500 cash prize drawing! If you introduce multiple agents to us, you will get a corresponding number of entries for the drawing.

As always, we look forward to working with you....and your friends.

Pat Joline, President, CLU, ChFC

Brian Joline, Vice President
